SUMMARY

I am a final-year BTech student, well-grounded in programming languages and web development, with a strong foundation in object-oriented programming, data structures, and Algorithms. I possess excellent communication skills, a passion for continuous learning, and the ability to adapt quickly in dynamic, fast-paced environments. I am seeking a challenging role to leverage my technical expertise and creative mindset to drive impactful software solutions.

EDUCATION

Bachelor of Engineering in Computer Science	(2022-2025)
Vasavi College of Engineering	Hyderabad, Telangana
Diploma in Electronic Communication and Engineering	(2019-2022)
2022 VNR Vignan Jyothi Institue of Engineering & Technology	Hyderabad, Telangana

PROJECTS

Sign Language Detection

- Trained models using TensorFlow to recognize and interpret sign gestures from video.
- Developed a system that interprets sign language into text or speech, enhancing accessibility and breaking communication barriers for the deaf and speech-impaired.

E-MENU Card Pro

- Developed a digital menu card application that allows users to log in, browse the menu, select items, and place orders online with ease.
- It will include user authentication to guarantee safe access and an easy ordering experience in the application

Role-Based Access Control

- Implemented a multi-role access system, enabling employees, team leaders, managers, and admins to interact with distinct UIs tailored to their roles.
- Implemented administrator features to efficiently manage permissions, modify roles, and oversee access control.

Job Portal

- Designed a platform enabling students to explore job opportunities, participate in hackathons, coding contests, and other skill-enhancing activities.
- Created a unified platform that integrates job opportunities, hackathons, and skill-building activities to boost user engagement.

TECHNICAL SKILL

- Programming Languages : C++, C, Java, Python
- Web Development : HTML ,CSS ,Bootstrap , JavaScript, React ,Node.js
- Database Management : SQL, MySQL, MongoDB, Postgre SQL
- Others : Git, AWS , Docker, Spring Boot, Azure

CERTIFICATES

- Certification in MySQL
- Certification in AWS Cloud Computing
- Certification in Python
- CCNA : Certification in Network Essentials

EXPERIENCE

- Worked As a Technical Engineer at SM Techonology (2021-2022)

EXTRA-CURRICULAR ACTIVITIES

- Member of the Incubation Department in Swayam Entrepreneur Cell (2022-2023)
